

MANUALS AND POLICIES SERVICES OVERVIEW – CONSTRUCTION

ARE YOUR EMPLOYEES TRAINED ON GENERAL SAFETY BEST PRACTICES?

- Offenhauser & Co. Insurance can offer you a construction-specific employee safety manual that includes sections on common hazards, such as silica exposure, heavy equipment operation and hazard communication.

HOW DO YOUR EMPLOYEES STAY AWARE OF CONSTRUCTION PROCEDURES?

- We can give you access to our library of customizable workplace policies to keep your employees mindful of important construction safety practices. These policies cover topics such as permit-required confined spaces, respiratory protection and lockout/tagout procedures.

DOES YOUR BUSINESS COMPLY WITH FEDERAL AND STATE EMPLOYMENT LAWS?

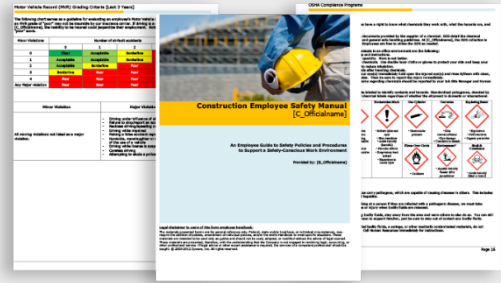

- Construction companies that fail to comply with federal and state employment laws can face serious fines and penalties. Using our state-specific guides, you can implement workplace policies to remain informed of your responsibilities and stay in compliance with regulations.
